Hours of operation will be 10am-early evening. Due to the parade going by the park, you must be set up by 10am, but may leave whenever you'd like. People will be in the park from 10am until around 7pm.

You will be allowed to park on the street along the park for set up only, but then will need to move your vehicles immediately after set up to help with parking congestion.

Fees collected help to offset the costs of the event. Your space will be marked on the ground, as well as emailed out to you ahead of time. If you have questions the day of the event, contact Nikki at the number listed above.

Thanks for helping support Earlham's Freedom Fest!
